

# How do you find the job you want during a worldwide recession? ... We have the answers!

applied to JobSearch.

It may be a down economy, but make no mistake, jobs **EXIST**. You just need to search and network wider than before to uncover the good opportunities.

Use the Internet tools that make it easy—most are free! But you don't have enough time to visit the tens of thousands of job/resume boards, career networking sites, etc., that exist. And you can waste a lot of time unknowingly on the wrong ones, and—more importantly—not using them correctly.

## You need Advanced Online Job-Hunting Techniques!

*It's taught by the same Internet employment guru who has taught all the latest, powerful, proven methods used by top recruiters worldwide to find workers of any type, in any location since 1997. You can now harness those powerful methods for job-hunting. And you'll get insights from him on how today's employers and recruiters find candidates, so you know how to best position yourself to be selected for call back!*

### Here's what some of the job-seekers say:

*"These are really great resources. I was spinning my wheels with what I thought I knew. I never knew you could use the Internet this way."*  
-- Allen D., contract programmer seeking full-time work

*"Thanks for the terrific tips! What an amazing list you have compiled. I can't tell you how much we really appreciate your help. It seems like he has been looking for a job for months (really just 2 weeks) and everything he does to get his resume out there is so cumbersome that when we really stop and think, he really hasn't applied to many places. This will really help get him going and it is something that I can help him do (finally!!). Thanks again, we both really appreciate it."*  
-- Teresa W., spouse of job-seeker

*"[You] shared a list of recruiters with me...I [wanted to] contact you with thanks and I will be sure to mention you..It will also be my pleasure to [recommend your services]."*  
-- George A., laid-off salesperson

*"Thanks again for the good information."*  
-- Tim G., laid-off newspaper company executive

### Here's what some of the recruiters say:

*"I have looked into many Internet recruiting seminars. This program was **well worth the money!**"*  
--Julie Broussard, Recruiter, Unifirst Corp.

*"**Very informative; great resource** for any recruiter."*  
--Pearl Freier, Contract Recruiter, Millenium Pharmaceuticals

*"The course binder alone is worth at least \$100. The course can **stop you from searching the wrong way** online and save you a lot of time. It's really helpful!"*  
-- Steve Reynolds, Founder Professional Resources, Inc., Boston, MA

*"I have just finished the online-recruiting course. I found it to be **very helpful** and there are a **lot of techniques** and resources I am going to **put to use.**"*  
-- Myra Diaz, Contract Recruiter, Thornton, CO

*"I've gone through the [course] material. I must say the information is **extremely insightful and powerful.**"*  
-- Sharon Goldson, Virtual Recruiter

*"The Recruiting-Online.com web-based course fit the bill perfectly: it was inexpensive, and convenient... It has opened up all kinds of new avenues to PLX for sourcing relevant candidates! **Recruiting-Online.com is highly recommended...**"*  
-- Richard Regnell, Recruiter, PLX Technology, Sunnyvale, CA
